

Dear Fellow Faculty,

The Summer Teaching schedule has been posted online: <http://dentistry.ucsf.edu/students-faculty-staff/students/faculty-teaching-schedule>

Please review **each week** for your teaching assignment and direct the questions as follow:

1) If you have any questions about predoctoral clinical general dentistry teaching, please email them to [Natalie.Hastings@ucsf.edu](mailto:Natalie.Hastings@ucsf.edu).

General information about Clinic:

· Clinic sessions generally start at 8:30am, 1:30pm and 6pm.

· Please notify [Irina Worthey \(415\) 476-0859](mailto:Irina.Worthey@ucsf.edu) or [PRDS.cancellation@ucsf.edu](mailto:PRDS.cancellation@ucsf.edu) of an absence or lateness due to unforeseen circumstances by 7:30 AM or as soon as possible the day of the absence as alternate arrangements will need to be made for clinic coverage.

· Proper faculty clinic coverage for students is important. At the start of each morning and afternoon clinic sessions, you will see Irina walking around to ensure that all students have proper faculty coverage. If she notices that someone is missing, she will take note and try to find proper faculty coverage in a timely manner.

**\*\*NOTE: For Evening Clinic Faculty, please notify [Chris Cadwell](mailto:Chris.Cadwell@ucsf.edu): Text or voicemail (415) 579-1669 or email [chris.cadwell@ucsf.edu](mailto:chris.cadwell@ucsf.edu) of an absence or lateness due to unforeseen circumstances by 5:30 PM or as soon as possible the day of the absence as alternate arrangements will need to be made for clinic coverage.**

2) If you have any questions about predoctoral preclinical teaching, please email them to [Joel.White@ucsf.edu](mailto:Joel.White@ucsf.edu), Division Chair of Preclinical Simulation.

· Preclinical courses/lectures generally start at 8am and 1pm.

**If you have questions about a particular course, the course directors and section leaders are noted below for you to contact directly:**

Please ensure you are enrolled in the CLE for the courses that you are teaching in to be familiar with the course material.

If needed, refer to the list of courses below and contact the Office of Curriculum Support ([sod.curriculumssupport@ucsf.edu](mailto:sod.curriculumssupport@ucsf.edu)) to request for the specific CLE course to be added in.
