### III. POLICY TEXT

---

#### 20.00 POLICY ON NONDISCRIMINATION

The University is committed to a policy against legally impermissible, arbitrary, or unreasonable discriminatory practices. All groups operating under the authority of The Regents, including administration, faculty, student governments, University-owned residence halls, and programs sponsored by the University or any campus, are governed by this policy of nondiscrimination. The intent of the University's policy on nondiscrimination is to reflect fully the spirit of the law. In carrying out this *Policy*, the University also shall be sensitive to the existence of past and continuing societal discrimination. (See also Appendix C [*Nondiscrimination Policy Statement for University of California Publications Regarding Student-Related Matters*]; Section 140.00; Section 150.00; and Section 160.00.)

---

### IV. COMPLIANCE / RESPONSIBILITIES

---

Chancellors shall adopt campus implementing regulations consistent with these *Policies*. The University shall publish these *Policies* and make them widely available, and Chancellors shall do the same with respect to the implementing regulations for their campuses. This requirement may be satisfied through the on-line publication of these *Policies* and their respective campus implementing regulations. (See also Section 13.20 of these *Policies*.)

---

### V. PROCEDURES

---

The President shall consult as appropriate with Chancellors, Vice Presidents, the Office of the General Counsel, and Universitywide advisory committees prior to amending these *Policies*. Chancellors shall consult with faculty, students, and staff prior to submitting to the President any campus recommendations related to proposed amendments to these *Policies*. Amendments that are specifically mandated by law, however, do not require consultation with campus representatives or Universitywide advisory committees to the extent that legal requirements do not permit such consultation. (See also Section 13.10 of these *Policies*.)

Chancellors shall consult with students (including student governments), faculty, and staff in the development or revision of campus implementing regulations except when the development or revision of such regulations results from changes to these *Policies* that have been specifically mandated by law. Campuses shall specify procedures, including consultation processes, by which campus implementing regulations may be developed or revised. (See also Section 13.30 of these *Policies*.)

Prior to their adoption, all proposed campus implementing regulations, including all substantive modifications to existing such regulations, shall be submitted to the Office of

the President for review, in consultation with the Office of the General Counsel, for consistency with these *Policies* and the law. (See also Section 13.40 of these *Policies*.)
